## **GENERAL RULES**

All entries in this tournament must be made in accordance with USBC Rules. All entrants must be sanctioned through a league of the **Mid-Hudson USBC** prior to October 11, 2024. No sanctions will be made through the tournament and/or by the tournament director. Any team or individual entered in this tournament failing to appear on the lanes when scheduled to bowl shall forfeit the entry unless the tournament Manager finds sufficient reason for granting postponement. Any team or individual arriving late shall begin play with the score to count from the frame being bowled. It is agreed, that in the event that circumstances beyond control of the Mid-Hudson USBC shall arise before or during the scheduled tournament thereby causing the cancellation or suspension of the tournament in part or in its entirety, the Mid-Hudson USBC shall make payment of the prorated prize list based on the number of teams and individuals who have bowled up to the time of suspension or cancellation of the tournament plus the return of the complete entry fees to those teams and individuals who have not bowled. USBC Tournament Rules will govern any rule not covered.

## **HANDICAP RULES**

A handicap based on 100% of the difference between each bowler's **HIGHEST USBC League Average for the 2023-2024 Winter or Summer Season** of 21 games or more and the tournament scratch score of 230 will be allowed in each event of the tournament. If at the opening of this tournament, October 19, 2024 a bowler's average is 10 pins or more higher than their 2023-24 average for 21 or more games, it must be reported to the Tournament Management and they will be handicapped on that average. Bowlers with no previous (2023-2024) winter or summer season average will use their most recent highest USBC average from 2022-2023, 2021-2022 or 2020-2021. If none of these apply, the bowler will use their **Highest Current Mid-Hudson USBC** league average of 21 games or more as of your 1st event in the tournament. Team handicaps for the doubles event will be computed by adding the individual handicaps of the two bowlers entered. When an injury, an emergency or for another reason that may require a change in line-up after a game has started, USBC Rule 324B will prevail with proper handicap changes being made by the Tournament Management. When a substitute enters a game already in progress, the handicaps of the original entrant and the substitute will be prorated on a frame-by-frame basis.

USBC Rule 319C relating average requirements, shall apply to bowlers who have bowled in tournaments during the previous 12 months. Rule 201c Sport to Standard Tournament. A bowler is required to submit her adjusted Sport Bowling league average utilizing the USBC Average Adjustment Scale (see Rule 201a) in tournaments that use composite averages for entering and/or handicap purposes.

## **SUBSTITUTES**

The captain of a team, or their representative, shall have the privilege of substituting other qualified bowlers to take the place of those originally entered, subject to the approval of the Tournament Management. The substitute, if accepted, must bowl under their own name and at the scheduled time for each event. No substitutes will be accepted for All-Events prize participation where any one event or portion of an event has been bowled by the original entrant or substitute. Any substitutions for the entire All-Events category must be brought to the attention of the Tournament Manager prior to any games bowled in order to be eligible for prize money.
